Within the year, Meubles RD has invested in advertisement and uses different communication media to inform consumers about household appliance recovery.

- All stores management monthly receives updates on the program's effectiveness, as well as related information to enable in-store teams to keep our customers and visitors adequately informed;
- Our consumers can refer to the program-related page on our website;
- We promote the program through different communication media, such as;
 - In-store display
 - Weekly newsletters
 - Flyers
 - Social Media (Facebook, etc.)
